Dear friends,

I have a great pleasure to congratulate, once again, for successful organization of BALKAN senior TABLE TENNIS CHAMPIONSHIPS, in PODGORICA, at the beginning of this month.

It was the best organizing Championships till now.

I take this opportunity to thank to Montenegro Table Tennis Federation, specially to President Ratko DEDIĆ, General Secretary Nenad RAIČEVIĆ, and to all people in Federation who done everything for wonderful organization.

Also I would like to thank to all people in VERDE COMPLEX for accomodation and meals which we have never got at our Championships.

Special thanks to Miloš LALEVIĆ, Director of Directorship of Sport, and to Madam Nela SAVKOVIĆ, Director of Secretarijat of sport and culture of Podgorica

At the end I would like to emphasize that kindness and affability of everybody in Montenegro TT Federation and VERDE COMPLEX was never seen till now.

At last but not least I would like to express the hope that we shall continue our cooperation and organize Balkan Competitions in Montenegro in future.

Best regards,

Milorad Trpkovski
BTTU General Secretary
